“DON'T GET CAUGHT UP IN ISSUES THAT DON'T HAVE A THING TO DO WITH YOUR SOUL.”

READ

Colossians 2:8-10

The Bible says you measure wisdom and knowledge by Jesus. You have to look at Him, who becomes the source of everything you think and know. You can add nothing to His completeness. Something complete doesn't need anything else. If you are complete in Jesus, you need nothing more. God is not sitting on a throne saying you need to do this, and you need to do that. Know that what Jesus did on the cross completes the human being. The world in which we live is abuzz with people trying to find the right religion. This world is so mixed up. People don't understand that it's not about a religion. It's about a relationship with a living God. Even in the church, there is confusion about this. Don't get caught up in peripheral issues that don't have a thing to do with your soul. Don't get caught up in theories or movements that take away from the simplicity that's found in the Lord Jesus Christ.

PRAY

Jesus, You are all I need. There are so many things that can steal my attention. Help me not to look to the left or right, but to fix my gaze upon You.
